- Lunch: salisbury steak with gravy

Friday

- Dental Coach on campus
- \$1 dress down day
- Birthdays: Edgar Gamez, Noe Herrera
- Lunch: crispy chicken sandwich

Weekend Events

- Saturday birthdays: Yarel Marquez, Eduardo Jose

Principal's Message

Last week scholars in grades 3-8 took Progress Monitoring (PM) 1 of F.A.S.T. Reading and Math. As per the state, progress monitoring will take place 3 times per year; in the fall, winter, and spring. These assessments will help determine how students are progressing throughout the year and more importantly how teachers can use this data to drive instruction. Ms. Johnson was extremely pleased as she walked into each 3rd-5th classroom to see excellent testing environments. Scholars used privacy folders, had AR books by their side, and remained quiet for the duration of the assessment. Thank you teachers for circulating to ensure the best possible testing situation for our scholars.

Mr. Haggett reported that testing also went very smoothly in middle school with only a handful of make-ups to complete. Teachers created a very comfortable environment and the testing paperwork was completed accurately - which was appreciated.

Our K-2 scholars will be next once the Renaissance platform is ready. I am sure those classrooms will also be test-ready setting our scholars up for success!

Go Dolphins!
