Principal's Message

Dear "A" team,

I want to extend my heartfelt thanks to everyone for a great first week back. Despite the challenges that lie ahead, our spirits are high, and I have no doubt we will achieve our goals because we are a resilient team.

I am proud to highlight some of our significant data growth points. We have reduced the number of students scoring a level 1 in reading by 40% and in math by 44%. This remarkable progress is a testament to the hard work and dedication of our students and faculty.

A special thank you goes to Jake Sakre for his incredible contribution. For his Boy Scout Eagle project, Jake chose to create a reading corner for our 4th-grade classroom. He didn't just provide the supplies; he built everything himself and stocked the reading corner with new books for our 4th-grade scholars to enjoy. Jake also donated books for other grade levels. Thank you, Jake, and congratulations on receiving your Scout medal!

Let's keep this positive momentum going as we move forward. Together, we will continue to support and uplift each other, striving for excellence in all that we do.

Together we will
Achieve!
