- Birthday: Nataly Coyote, Yair Lopez

Sunday: 10/05

- Birthday: Jade Ovando

A Week at RCMA WCA

Have you ever wondered what a week looks like at RCMA Wimauma Community Academy? Let's take a closer look!

Every morning, students are greeted with smiles by our wonderful staff, Ms. Evie, Ms. Marisela, and Officer Deon as they walk through the gates. They then enjoy a warm, nutritious breakfast prepared with care by our amazing cafeteria team. From there, students head to their classrooms, where they learn in both Spanish and English. During math time, elementary classrooms come alive with engaging math chants created by our talented Ms. Johnson. Our dedicated staff, Ms. Madden, Ms. Marcia, and Ms. Hanson provide extra support to ensure every student succeeds. Step onto our P.E. field and you'll see students actively engaged, learning about the importance of exercise and enjoying their time outdoors. At RCMA WCA, every day is filled with learning, growth, and excitement. It's a place where students are nurtured, challenged, and celebrated. Thank you RCMA Team for all you do to ensure our students succeed.
