RCMA Wimauma Celebrates Hispanic Heritage Month with a Spectacular Performance

This past Friday, RCMA Wimauma Community Academy proudly celebrated Hispanic Heritage Month with an amazing performance that showcased the rich cultures and traditions of our community. Students from kindergarten through fifth grade took the stage, honoring their Hispanic heritage through song, dance, and vibrant displays of pride. The event was a true celebration of unity, talent, and cultural appreciation. A special thank-you goes out to Ms. Virginia and Ms. Liliana for organizing this incredible performance. Their dedication and hard work made the celebration unforgettable. We also want to express our gratitude to the parents and students who helped create the beautiful decorations that brought the event to life. Finally, thank you to all our RCMA staff who contributed their time and creativity to make this performance such a success. At RCMA WCA, we are proud to celebrate the diversity and culture that make our school community so special.
