Sunday: 11/16/25

- Birthday: Ariana Geronimo, Regina Mora, Ms. Teresa

Hello RCMA WCA Family!

Can you believe we're already in the second week of November? We're getting closer and closer to that amazing turkey dinner!

While we count down the days to Thanksgiving, our high school seniors are facing one of the most important times in their academic journey , college application season! Early Action and Early Admission deadlines are here, and our seniors are busy submitting applications, completing their FAFSA forms, and exploring colleges where they might spend the next four years.

This week, we want to spotlight one of our seniors, Berenice Antonio ,who attended a college open house this past Saturday at the University of Tampa. She had the opportunity to tour the campus, learn more about the nursing program, and meet other future college students.

Berenice currently attends Lennard High School, where she's part of the Collegiate Academy. She's also a proud Berkeley Academy scholar and a Take Stock in Children scholarship recipient.

We're so proud of Berenice and can't wait to see where her hard work and dedication will take her next. Stay tuned as we share more stories about the incredible places our seniors are visiting and school they are applying to.
