Holiday Spirit Shines at RCMA WCA

What goes hand in hand with the holiday spirit? An amazing car show and a heart full of generosity. Last week, RCMA WCA received a gift donation from our community thanks to the Roamin' Oldies, who hosted a festive toy drive for our students. Alongside their incredible classic cars, the Roamin' Oldies brought the true spirit of the season, giving back. RCMA operates with the strong support of our community, and the Roamin' Oldies car show is a perfect example of the generosity that helps make RCMA WCA what it is today. We are truly grateful and extremely thankful for the gifts collected for our students and for the continued support of our community partners.

In other exciting news, RCMA WCA Cross Country wrapped up the season in festive style by participating in the Jingle Bell Run in St. Petersburg. It was the perfect holiday-themed event to close out this year's cross-country chapter and celebrate our athletes' hard work.
