Wow , it feels like just yesterday we were welcoming in 2025, and here we are already saying hello to 2026! We are excited to begin another year and to welcome our students back to campus after Winter Break. Our staff is energized and ready for a strong and successful second semester filled with learning, growth, and new memories.

#### RCMA Alumni Spotlight

We are proud to start the year by celebrating one of our outstanding RCMA alumni, Sebastian Gutierrez.

Sebastian graduated from Spoto High School in 2025 and successfully completed United States Marine Corps training, where he earned an Honor Award and was recognized as one of the few recruits ranked at the top of his class.

We are extremely proud of you, Sebastian, and grateful for your commitment, leadership, and service. You continue to make the entire RCMA community proud.

Here's to an amazing start to 2026 and a fantastic second semester ahead!

Thank you for being a valued part of our RCMA family

HAPPY  
New Year
