### RCMA WCA at ZooTampa

Kindergarten students went on a wildly exciting animal adventure this past week during a visit to ZooTampa at Lowry Park. And guess what? They weren't the only ones who got to enjoy the zoo this past month.

WCA kindergarteners had a blast exploring the zoo and learning about so many of our planet's amazing animals. Eyes lit up when they spotted a fierce tiger, a humongous elephant, and even a gentle manatee making a special appearance. Every turn brought something new to see, learn, and talk about.

The fun didn't stop with kindergarten. Two RCMA alumni also visited ZooTampa this past month as part of the Take Stock in Children Scholarship Program. Along with their mentors, they explored the zoo while taking part in a safari scavenger hunt, turning learning into an exciting adventure.

From curious kindergarteners to motivated alumni, ZooTampa proved to be the perfect place for exploration and discovery.
