Valentine's Day at RCMA

Last week was our Week of Love and Friendship! Our Student Council organized an amazing Spirit Week, where each day had a special theme. The week was filled with fun, creativity, and school pride.

Valentine's Day celebrations wrapped up the week on Friday, filling RCMA with love, kindness, and friendship. It is always great to see our students show their school spirit and come together to celebrate in meaningful ways.

Students participated in Valentine's Day Spirit Week by dressing up and proudly showing their spirit.

A big shout out to all of our staff , thank you for bringing the spirit of Valentine's Day to our campus and making the celebration so special for our students.

Take a look at our kindergarteners , they were true showstoppers! Their outfits, and joyful hearts made the week extra special. We are so proud of how they celebrated love and friendship in such a wonderful way.
