- Birthday: Elias Gil

Sunday: 03/29/2026

RCMA Alumni Update: Senior Visits Florida Southern College

This past Saturday, Melissa Chavez, a senior at Sumner High School, Berkeley Academy Scholar, and Take Stock in Children scholarship recipient, attended Florida Southern College's Southern Select event.

During her visit, Melissa explored the campus and learned about the wide range of academic programs offered at the college. The event gave her the opportunity to experience campus life firsthand, meet new students, and gather valuable information as she considers her options for higher education.

Melissa was accompanied by her mother and Ms. Diana, who joined her in supporting this important milestone in her academic journey.

While Melissa has not yet made her final college decision, we are incredibly proud of her acceptance to Florida Southern College. We look forward to seeing where she chooses to continue her education and are excited for what the future holds for her.
