RCMA WCA Running Club Shines at the Driscoll Strawberry Classic 5K

Early mornings aren't easy... but for our running club, it was definitely worth it.

This past Saturday, students from the RCMA Wimauma Community Academy Running Club showed up bright and early to run in the Driscoll Strawberry Classic 5K. While it was an early start, our students came ready and gave it their all.

We're proud to share that three of our runners placed in their division, such an exciting accomplishment. Each year running club grows, with RCMA taking a team of 20 to the 5K.

What stood out the most, though, was the way our students supported each other. From the start line to the finish, there was lots of encouragement, determination, and positive energy all around.

We are so proud of everyone who participated and can't wait for the next race!
