RCMA WCA Newsletter Spotlight: A Special Easter Tradition

RCMA Wimauma Community Academy is grateful for the continued support of its community partners.

Each year, Bay Life Church visits our campus to share Easter baskets with our students, an annual tradition that has become a favorite for many.

Students look forward to this visit with excitement. The baskets, filled with treats and small surprises, bring joy and smiles throughout the school.

More than just the gifts, this visit reminds our students that they are supported and cared for by their community.

Our staff also appreciate the time and effort that goes into making this event happen each year.

We are thankful for this partnership and the continued generosity shown to our RCMA WCA family.
