RCMA WCA Students Hit a “Home Run” with Honor Roll Celebration Trip

Seventy scholars from RCMA Wimauma Community Academy were recognized for their hard work with a special Honor Roll trip to a Tampa Tarpons game.

The students earned the trip by making Honor Roll during both the first and second quarters. The game, featuring the Minor League affiliate of the New York Yankees, gave students a chance to relax and enjoy time together after months of staying focused in class.

For many of the students, it was their first time attending a live baseball game. Between the crowd, the energy, and the experience of being at the stadium, it turned into a memorable day for everyone involved. They earned this moment, and we are proud of each and every one of them.
