### RCMA WCA Children's Day Celebration

Children's Day, also known as Día del Niño, is celebrated every year in Mexico to celebrate children and recognize how important they are to families, schools, and the community. It is a day focused on children's happiness, well-being, education, and making special memories through fun activities, games, treats, and time together.

Every year, RCMA WCA holds a Children's Day celebration to honor and celebrate our children. This year, RCMA WCA celebrated Children's Day on May 1st. Students got to enjoy different activities such as chalk drawing, musical chairs, paletas, and yummy snacks. It was a fun day full of laughter and smiles.
