### Go Go Go 3rd Grade!

Our incredible 3rd grade Dolphins took learning to new heights during their exciting field trip to Urban Air. Students explored concepts like force, speed, and motion while jumping, climbing, racing, and challenging themselves through different activities and obstacle courses. From rock climbing walls to obstacle courses, trampolines, and more, students spent the day learning through movement, teamwork, and hands-on fun. One of the biggest highlights of the trip was watching students conquer their fear of heights while climbing the rock walls. Do you think you could climb to the top? Our Dolphins sure did! Way to go, Dolphins! Keep reaching for the to
