The Final Splash: Celebrating New Beginnings

Well, it's crazy to think that it has finally arrived , the last week of school. Another amazing year is officially in the books.

As we close out this school year, we say goodbye to our incredible 8th Grade Class of 2026 as they begin their next chapter in high school. We are so proud of all they have accomplished and cannot wait to see what the next four years hold for them.

We also celebrate and say farewell to the High School Class of 2026 as they step into the adult world , whether that means attending college, enrolling in trade school, joining the workforce, or pursuing other exciting opportunities.

New journeys are about to begin, and while it is hard to say goodbye, we are excited to watch our students continue to grow, succeed, and follow their dreams.

To all of our graduates: congratulations! We wish you nothing but success, happiness, and endless opportunities as you take the next step in your lives.

Once a Dolphin, always a Dolphin!
