SPIRIT WEEK!

Written by Mark Haggett

In celebration of Hispanic Heritage Month, our monarchs participated in Spirit Week. Each day of this past week, there was a theme that honored the rich culture of our students and families. On Monday, we recognized Latin heroes, and our teachers enjoyed a snack cart - but they had to dance for it! Tuesday was a celebration of the colors of one's country. Then, students showed off traditional hairstyles and accessories on Wednesday. Thursday was jersey day, and many teams were represented. Friday wrapped up our celebration with students dressing for a future job. As you can see above, Officer Luis had plenty of back-up, and we felt well protected. We also had many nurses, doctors, and first responders to help out in an emergency or if anyone did not feel well. We thank our parents for supporting our week of fun and recognition of culture!
