## SPOOKTACULAR DAY!

### Written by Mark Haggett

Friday was a very special day at Mulberry Community Academy. We started the day with our 1st quarter awards ceremony. Students were recognized for academic achievement, leadership, and demonstrating growth. I loved how supportive our students were of one another.

We then invited parents, volunteers, and community members to our inaugural Fall Festival. Students enjoyed games, arts & crafts activities, great food, and then a trunk-or-treat experience. Thank you to Ms. Jennifer for coordinating the event, which included planning meetings, organizing the activities, decorating, assigning the volunteers, and creating the schedule. Everyone had a wonderful day, and we look forward to future events!

Thank you to our school community for making it a success!
